(if under the age of 18, parent or guardian's signature is required)

# CALVARY

## Water Baptism

### INSTRUCTIONS

1. On the day of the baptism, please be prepared to meet with the Pastor 15 minutes before the service.
2. What to bring and how to dress:
  - a. Dark colored clothes should be brought to wear into the baptistery.
  - b. Shoes are not to be worn in the baptistery.
  - c. Bring a heavy towel.
  - d. Bring your clothing to the church in a case, bag or whatever is convenient for you. After the meeting, you may bring this to your dressing area.
  - e. Husband and wife should bring their personal belongings in separate cases, since they will be making preparations in different areas.

This is a very important step in your Christian experience. We want it to be beautiful, meaningful and free from anxiety. There are only two rites which Jesus commanded His disciples. One of them is the Lord's Supper (also called Communion or Holy Communion) and the other is Water Baptism. We trust this will be a very meaningful spiritual experience for you. Expect the Lord's blessing upon you during this service.

*Special Note: Being baptized in water does not mean you are a member of Calvary Assembly. If you desire church membership, please talk with the Pastor concerning this.*
