Kari Jobe

SOLO:

## VERSE 1

Countless days on a journey that led so far  
Endless nights they travelled to follow the star  
They did not find a palace  
Just a humble village home  
And searching for a King  
But finding a Child no crown no throne

EVERYONE

Still they bowed down

## CHORUS 1

Come let us adore Him  
O come let us adore Him  
O come let us adore Him

# ADORE HIM

## VERSE 2

Expectation turned to mystery  
For nothing was like anything they'd dreamed  
Anticipating the royal  
And those honored by this world  
Instead they gazed in the awestruck eyes  
Of a lowly peasant girl

EVERYONE

Holding her Child

## CHORUS 1

Come let us adore Him  
O come let us adore Him  
O come let us adore Him
